

Patriot Erectors, Inc. Lauded by US Army Corps of Engineers

November, 2006 – Patriot Erectors, Inc., a steel erection company, has been awarded two prestigious safety awards by the US Army Corp of Engineers. Patriot walked away from this year's US Army Corps of Engineers Annual Safety Awards Banquet with the Quarterly Safety Award and the Annual Safety Award. Patriot Erectors was nominated by the on-site safety officer. The awards were presented by District Commander, Colonel Christopher Martin who noted "I never thought I would be awarding the "Annual Award" to a steel erection company."
